ABOUT THE INSTITUTION

Saraswati sishu vidya mandir, Aska was established in 1993. After successfully monitoring the school for more than 22 (twenty two) Years the school management now offers +2 Science education in day cum residential system for the session 2016-17 in its own campus at Kalinga Road, Aska, near Santoshi maa temple. At present the college has been accorded permission from Higher Education, Govt. of Odisha for admission of 128 students in PCMB & IT.

OUR VISION:-

To provide quality and value based education that will empower the students to be self dependent and deal with challenges of the future.

OUR MISSION:-

To emphasize character building by making the student creative, competent and complete human being with a sense of patriotism.

From the Principal's desk :

The performance in +2 classes opens up the avenues for the student to become an engineer, Doctor, Scientist or Entrepreneur. You have relied on this institution in Past for quality teaching. If you maintain that, then this institution S.S.V.M, Aska, is committed to the best educational growth of your child."

Prof. (Dr.) D.P. Rath
M.Sc., M.Phil., Ph.D.

President's Message : (Sri Banamali Samantara)

I am very much pleased to say that Saraswati Vidya Mandir +2 science college, Aska is a glorious educational institution. Its main objective is to make the pupils complete human beings with better education.

Secretary's Message : (Dr. Pramoda Kumar Panda)

It is a matter of great pleasure that Saraswati Vidya Mandir, Aska has opened +2 Science session 2016-17. The dream we had since long has been materialized. We are committed to input quality education with character building which is the need of the idea. I hope this institution will grow step by step and reach its zenith one day.

Pradhan Acharya's message: (Sri Sarat Ch. Muni)

Saraswati Vidyamandir, Aska has opened +2 Science classes with a great deal of hope and expectation. Our quality education will empower the young talents to fulfill their dreams. I earnestly pray to MAA SARSWATI to give us strength, spirit and super sense to build the best academic atmosphere in our locality.
